Welcome our new Regional Queensland Director, Pam Bycroft

The role of your RD is to provide assistance to H.O.G. Members and to advise on Chapter related matters. RDs keep the Chapters informed by passing along the details about future H.O.G. events, activities and news. RDs also provide valuable feedback on the feelings and thoughts from their Members to H.O.G.

Harley-Davidson appoints RDs to support the Chapters and I am always available to address any queries or feedback you may have and can be contacted at:

Mob: 0407 260 636 or email:

regionaldirector.qld@gmail.com

Since commencing in the RD role on February 12th it has been all systems *GO*.

My predecessor, Gavin Hume was a committed, enthusiastic and supportive RD and as I begin my RD term I hope that I can do his legacy justice. I am very grateful that Gavin was so generous with his time and assistance in the transition period leading up to my taking on the role and I have greatly appreciated his mentorship.

I take this role seriously and I'm thankful for the opportunity it affords me to meet H.O.G. members all over Queensland and I'm looking forward to doing that.

My goal this year is to attend an AGM or special event for every Chapter, I'm really keen to get out and visit with you.

I also intend to convene Northern and Southern Queensland Director's meetings and will tie these in with other events where possible. These meetings are opportunities to bring great H.O.G. minds together, to tap our collective experience and passion for the Harley-Davidson brand and all things H.O.G. to create new ways to grow and enhance our Chapters to make them even more fun for all.

I've just returned from attending the Aus/NZ RD's meeting in Sydney with Gaz Luxmoore which was both productive and informative and I'm thrilled to have joined this RD team which knows how to get the work done whilst retaining the Fun Factor.

We are all excited that this year we see the return of our National H.O.G. Rally! Walcha NSW is the only place to be this November 15th to 17th. I have visited the site as part of a team of H.O.G. representatives and was absolutely impressed, not only with the site itself but also the vision of the Freak Show Festival for what will be an amazing motorcycling event. Whilst it was being outlined to us it was clear that this will be your classic, old-school, back-to-basics motorcycling rally replete with all our own much-loved H.O.G. Rally activities - **YES!** As V.I.P.'s H.O.G. will enjoy discounted registration and have a huge dedicated area for unlimited camping and glamping so why not have your own Chapter village? Fly your flag and settle onsite for a National Rally you won't want to be just hearing about afterwards..... See you out there..... **Pam**

The Freak Show Festival of Motorcycles will amaze and astound you with all things motorcycle. Three days of two-wheel heaven in the magical motorcycle-friendly town of Walcha, NSW. Flat-track the day away, hold your breath at the dirt hill climb, be open-mouthed at the customs, find your favourite brand at the trade show, thrill to the daredevil in the globe-of-death, shred your tyre in the burnout bar, kick up some dirt in the donut ring, pop one in the wheelies arena, get down and wiggle your butt cheeks at the live music; relax in the outdoor cinema, snooze comfortably while glamping, do it economically while camping, gorge yourself on fine food. Oh, and there will also be freaks! A little Sturgis, a little Summernats, and a touch of Burning Man. November 15-19, 2019. Ride up the astonishing Oxley Highway to find the motorcycle Festival you've always dreamed of.

RALLY @ BYRON 2019

Friday 13th September 2019

Saturday 14 September 2019

Sunday 15th September 201

RALLY@BYRON 2019 – ITS ON!!

This is not going to be your conventionally rally, cause that's not how we doing things here in the Northern NSW. So we have now gone back to basics.....the 2 things that every HOG member wants:

- To Ride; and

- To Party

BYRON BAY BREWERY, 1 Skinners Shoot Road, Byron Bay NSW 2481.

If you know the tail of this place it started out as a piggery in 1898 owned by NORCO. In 1984 it was bought by a music promoter and hosted some famous bands like The Pogues, Violent Femmes, Crowned House and Paul Kelly and was the site for the first East Coast Blues & Roots festival. Quite apt really cause we're going to rock this joint all night long on Saturday night 14th September and turn the place from what is known locally as the PIGGERY to a HOGGERY.

And as they say, you don't run out of beer at a brewery!! We will have a great band on Saturday night in the auditorium and there will be a DJ in the back-beer garden and a restaurant on site for food so you don't go hungry.

So how is it going to roll

Friday - We will be set up at the Byron Bay Brewery for registrations and you can then make your way to your accommodation. When anyone visits Byron, they want to visit the Stropp & Hogen's Beach Hotel. It has changed hands some years ago but it is an institution in Byron Bay, so we have told the Beach Hotel to expect 300 Hoggies on Friday night for a few frothy's and a feed. This will be at your own pace as we understand not everyone can get there for Friday but that's where we'll be.

Saturday - We'll have some guided rides around the Northern Rivers coastline and hinterland and we will end up in Ballina for some lunch & Chapter Challenge. From there we will head back to Byron, park up the bikes and head on over to the Byron Bay Brewery and dig in for the night. Beers, Burgers and a Band will carry the night through till late and catch up with old friends and make some new ones.

Sunday - We are working on a Thunder Run around Byron Shire in the morning obviously after a coffee and a bacon & egg roll, so we can show the Byron Shire towns what Harley Davidson really looks like. We will end up where we started the weekend at the Beach Hotel Byron Bay for everyone to say their goodbyes and head off or stay in Byron for a longer stay.

At this stage we have 500 tickets available which is largely due to space at the brewery so make sure you let your members know to register early so they are not disappointed.
